Any request for a waiver from the Rules must be submitted in writing to the Airport manager in advance of the proposed operations. Waiver requests must be submitted via electronic mail to Chris Bley, Airport Manager, at bley@airspaceint.com. The Airport Manager will notify the individual requesting the waiver via return email and may waive the requirements of these rules in the Airport Manager's sole discretion. The individual requesting a waiver is not authorized to deviate from the Rules until he or she receives written approval from the Airport Manager in advance of the proposed operations.

Authorization to use the Airport for any reason - including but not limited to conducting operations into or out of the Airport and basing aircraft at the Airport - can be granted ONLY by the Airport manager.
